

Prime9 opens a new state-of-the-art broadcast studio in Hyderabad

December 2025

Summary. Prime9 Network has opened a new state-of-the-art broadcast studio in Hyderabad, expanding its production capacity for television and digital video. The facility features modern control rooms, multiple sets and enhanced live-streaming infrastructure to support round-the-clock news operations. The investment underlines Prime9's growth as a multi-platform network and its commitment to high-quality production across every language it serves.

Prime9 Network has opened a new **state-of-the-art broadcast studio** in Hyderabad, expanding its production capacity for television and digital video.

The facility features modern control rooms, multiple sets and enhanced live-streaming infrastructure to support round-the-clock news operations.

The investment underlines Prime9's growth as a multi-platform network and its commitment to high-quality production across every language it serves.

Prime9 is a multi-language digital news network built around Prime9 News, its flagship 24×7 Telugu television channel.
