

Prime9 News crosses a major milestone on YouTube

April 2026

Summary. Prime9 News, the network's flagship Telugu channel, has crossed a major subscriber milestone on YouTube, now reaching 3.89 million-plus subscribers and more than 1.5 billion monthly views. The achievement underlines the channel's position among the fastest-growing news destinations in the Telugu states, combining round-the-clock broadcast coverage with a mobile-first digital strategy. Prime9's video teams produce live streams, breaking-news updates, explainers, interviews and short-form storytelling designed for how audiences watch news today. The milestone caps a period of sustained audience growth across the network's television, web and social platforms.

Prime9 News, the network's flagship Telugu channel, has crossed a major subscriber milestone on YouTube, now reaching **3.89 million-plus subscribers** and more than **1.5 billion monthly views**.

The achievement underlines the channel's position among the fastest-growing news destinations in the Telugu states, combining round-the-clock broadcast coverage with a mobile-first digital strategy.

Prime9's video teams produce live streams, breaking-news updates, explainers, interviews and short-form storytelling designed for how audiences watch news today. The milestone caps a period of sustained audience growth across the network's television, web and social platforms, and sets the stage for continued investment in original video journalism.

Prime9 is a multi-language digital news network built around Prime9 News, its flagship 24×7 Telugu television channel, reaching audiences in nine Indian languages across TV, web, mobile and social.
