

Prime9 expands satellite coverage across Andhra Pradesh and Telangana

January 2026

Summary. Prime9 News has expanded its satellite distribution across Andhra Pradesh and Telangana, bringing the 24×7 Telugu channel to more households on DTH and cable platforms. The expansion strengthens the network's broadcast reach alongside its fast-growing digital and social presence. Prime9 continues to combine the immediacy of television with the flexibility of digital media to serve audiences on every screen.

Prime9 News has expanded its satellite distribution across Andhra Pradesh and Telangana, bringing the 24×7 Telugu channel to more households on DTH and cable platforms.

The expansion strengthens the network's broadcast reach alongside its fast-growing digital and social presence.

Prime9 continues to combine the immediacy of television with the flexibility of digital media to serve audiences on every screen.

Prime9 is a multi-language digital news network built around Prime9 News, its flagship 24×7 Telugu television channel.
